This session will include a presentation of the LWA's accounts, history of growth so far and strategic development plans going forward. Prepare to be dazzled by some solid spreadsheets - what's not to love!?

We will also be announcing the results of the 2021 LWA Coordinating Group elections. This session is key to the entire running and governance of the LWA as this is the time in the year where UK Coordinating Group members stand-down, stand for re-election and get elected to the coordinating committee of the union.

Closing ceremony

5.15pm - 5.30pm

We will close the official AGM through sharing songs, poetry, stories and reflections of connection to land and to community.

In these times, even if we aren't physically in the same space, it's more important than ever that we come together to be as one, celebrate, contemplate and strengthen the power of our collective work and voices.

Story telling

5.30pm - 6.00pm

Join Heather Crowe, storyteller extraordinaire.

Heather is a storyteller, witch badger, wild woman, lover of tales, (and tails), animals, the natural world and magical otherworlds. She sees the animals in people and the people in animals and finds in both the underbelly and mischief of life!

Heather will be telling an interwoven mashup of mythic happenings inspired by the mutterings of the land. In our misshapen society there are still some who remember the forgotten aspects of a long-buried goddess who must be restored to bring balance to a world gone awry. Featuring botox, bones, blood and iron, hairy legs, raging goddess, murder, drunkenness, resurrection, restoration and more!

Saturday 5th December

Regional meet ups across Wales, Scotland and England. Meet fellow members and join in on the party! Book your tickets [here](#).
